

## 2009 Security and Track Services Summit

Embassy Suites Hotel & Convention Center • Concord, North Carolina

**TUESDAY, JANUARY 13th - 8:00 AM**

### Opening Session Keynote Speaker **RANDOLPH MANTOOTH**

Don't miss this unique journey into the history of modern emergency medical services that pays homage to the visionaries who overcame innumerable obstacles to create the nation's first paramedic programs. Learn about the cutting edge 1970's television series that inspired thousands to answer the call, and helped advance the establishment of EMS systems across the United States during that decade.

A professional actor, director, producer, screenwriter, and graduate of the American Academy of Dramatic Arts in New York, Mantooth is widely recognized for his starring role as Los Angeles County Firefighter/Paramedic Johnny Gage on the popular NBC television series, *EMERGENCY!* Arriving in America's living rooms every Saturday night for seven years, John Gage and Roy DeSoto helped change the face of emergency medicine forever.

Since the show ended its original run in the late 70s, Mantooth has maintained close personal and professional ties with the firefighting and emergency medical services communities, and is a frequent Keynote Speaker at Fire Service and EMS events all across the country. He has also served as honorary chairman and spokesperson for the County of Los Angeles Fire Museum Association for the past three years. In May 2007, the International Association of Fire Chiefs EMS Section recognized his inspirational contribution to the professions by presenting him with their James O. Page EMS Achievement Award.

**Meet Randy in person** in the Vendor Hall from 6-9 PM Tuesday evening, when he hosts a fundraising autograph session on behalf of the County of Los Angeles Fire Museum. *Emergency!* memorabilia will be available for purchase and personalization. Randy will also host a Meet and Greet Session on Tuesday at 1:00 PM, location TBA.
